Dear Sir and Madam,  
In my humble opinion, amending Annex I and II and then amend local laws will do.

Dear Sir and Madam,  
I don't think we need to use the procedures in Article 159  
to amend Annex I and II.

Dear Sir and Madam,

The initiatives can be proposed by LegCo members, CE or the central government or even from both sides at the same time in order to match with the time schedule of each side to amend their respective laws related to the CE and LegCo elections. It would be wonderful if we can reach a consensus before any side triggers any relevant law amendment procedures.

Yours sincerely,

Dear Sir and Madam,

In my humble opinion, yes, we should stick to the 2004 LegCo election arrangement in case no consensus can be reached before we can start amending relevant laws for the LegCo election in 2008.

Yours sincerely,

Cheung Hoi Wai

Dear Sir and Madam,  
I think the chief executive election in 2007 should also be included in consideration for change.
