Subject: B1 What is the most appropriate legislative procedure for amending the methods for selecting the CE and forming the LegCo set out in Annexes I and II:

    Move To: 

Definitely

(b) Local legislation only

Annex I and II are very clear. Just follow the procedures.

B2. Do we need to follow the procedures set out in Article 159 of the Basic Law, if we amend the Subject: methods for selecting the CE or forming the LegCo as specified in Annexes I and II of the Basic Law

    Move To: 

Yes but I think this is irrelevant as no such amendment is needed.

Subject: B3. How should any amendment relating to the methods for selecting the CE and for forming the LegCo be initiated

Move To: (Choose Folder)

It should go through Legco by way of a bill.
