Subject: A1(2) HKSAR comes directly under the CPG

    Move To:  

Only partly correct because HK under the "Basic Law" is a Special Administrative Region and the Principle of "One country, two systems"; the governing of HK is obviously different from other parts of China.

Subject: AI(3) The Chief Executive (CE) is appointed by the CPG. He is accountable to both the CPG and the HKSAR

    Move To:

There is no conflict on these two duties.

Under "One Country" CE is appointed by CPG; no problem.

Under "Two systems" CE is accountable to the 7 million people in HK.

Why do you think there is a problem on this?

Subject: A2(2) How 'gradual and orderly progress' should be understood

    Move To:

There do not appear to have any "Time frame"; so as long as there is no chaotic situation in HK, and there is majority acceptance of a more representative CE, Councils..... etc; HK should proceed forward.
