Subject: A3(1) Meet 'the interests of the different sectors of society'

    Move To: 

stage 1: say start from the next LegCo election, members should be increased by 25% who are elected entirely by the public.

stage 2: further LegCo election, members should be increased by 50% who are elected entirely by the public

Subject:A3(2) 'Facilitate the development of the capitalist economy'

    Move To: 

Reference is made to reply of A3(1) also.

To this end, stability is a must. Present legal system must be maintained. Our courts should be vested with the proper authority and independent enough that no interference by any party is allowed. Thus it is considered that all political parties involved should be able to negotiate on all relevant matters instead of provoking each other.
