Dear Administrator,

Hong Kong now belongs to PRC under the 'one-country two-systems' mechanism. Most vital decision that would carry significant political implication should go in line with PRC. No matter how far "democracy" is to develop, HKSAR cannot and should not let the slogan: "democracy" to govern HKSAR or to hinder both the political and economic development of HKSAR.

Citizens (especially the youngsters) need to be educated that the maintenance of political sovereignty (i.e. one-country) reigns over democracy (i.e. two-systems'). In other words, any actions that would jeopardise the political sovereignty should not be tolerated.

Sincerely,
