My views are:

(a) The Nominating Committee for Selecting the CE should be expanded from 800 persons to 5000 persons. Its composition should be expanded so as it can be more representative. The general public (e.g. housewives, retired persons, students over 18 years old) should have the right (as an individual) to be nominated as a candidate for the Nominating Committee and to cast a vote in selecting Committee Member(s).

(b) The no. of members returned by functional constituencies should be reduced to 15 in the fourth term, 8 in the 5th term and zero in the 6th term.
