Subject: I (i) The Number of Members of the Election Committee

    Move To:

Proposed Amendments:

- Eliminate the election committee, implement universal suffrage in 2007

Rationale/Factors for Consideration

- The small election committee cannot and does not represent the majority. Universal suffrage is the only method that is fair to the whole population.

Subject: II (iv) The Delineation and Size of the Electorate of Legislative Council Functional Constituencies

    Move To: 

Proposed Amendments:

- All of the workers in a functional field should be allowed to be electors of the functional constituencies.

Rationale/Factors for Consideration

- A small and selected base of electors cannot and should not represent the majority in the functional field. Everyone in the field should be allowed to participate in order to be fair.
