*Dear Sir,*

*I am a registered voter in the Health Services constituencies. I am an optometrist.*

*I would like to propose the splitting of this seat into two: one for nurses and one for all other health service professions.*

*The reason being the fact that the large number of voters in the nursing profession have dominated the outcome over the past elections.*

*A legco member elected by nurses would naturally work hardest for the nursing profession. This situation is unhealthy and unrepresentative of other health service professions and should be rectified.*

*Sincerely,*

*Dr. Andrew KC LAM*
