Subject: I (ii) The Composition of the Election Committee

*Dear Sir / Madam,**I am a registered voter in the Health Services constituencies. I am an optometrist.**I would like to propose the splitting of this seat into two: one for nurses and one for all other health service professions.**The reason being the fact that the large number of voters in the nursing profession have dominated the outcome over the past elections.**A legco member elected by nurses would naturally work hardest for the nursing profession. This situation is unhealthy and unrepresentative of other health service professions and should be rectified."*
