Subject: II (iv) The Delineation and Size of the Electorate of Legislative Council Functional Constituencies

    Move To:  

Dear Sir/ Madam,

I'm a registered optometrist & also have been registered as voter in the Health Services constituencies.

Concern about the majority of voters in the nursing profession have dominated the result of past elections, it's unfair & unrepresentative of other health service professions.

Thus, I would like to propose the splitting of this seat into two: one for nurse & one for all other health service professions.

Regards,  
Nicholas Tse
