 Subject: Comment on the 3rd report of the constitutional Development Task Force from HKSAR

Dear Sir/Madam,

My name is _____ (HKID No. _____). I write to express my view below on the "3rd report of the Constitutional Development Task Force - Area which may be considered for amendments in respect of the Methods for selecting the Chief Executive in 2007 for forming the Legislative Council 2008".

1. In my opinion, it will not be mature to have the full public election (i.e. one citizen one vote mode) for selecting the Chief Executive (CE) in 2007/08. I prefer to see the present method for selecting the CE be maintained in 2007/08. To maintain a stable Hong Kong is the most important thing among all.
2. 200 professionals out of 800 in the Second Sector of the Election Committee is not enough, I suggest to increase it to 250 (instead of 200) and increase the total number to 900 instead of 800 for selecting the CE in 2007/08.
3. I support in general the present form of Election Committee.

I can be contacted at telephone no. _____ or office tel. no. _____

Yours faithfully,

(Name Provided)
