Dear Sirs:

**The Fourth Report of the Constitutional Development Task Force:  
Views and Proposals of Members of the Community on the Methods for Selecting  
the Chief Executive in 2007 and for Forming the Legislative Council in 2008**

We would like to express our appreciation to the Government's effort in seeking public views and proposals on the constitutional development of Hong Kong.

We share the view that the number of seats in Legislative Council in 2008 should be expanded. We support the proposal of the establishment of an additional seat for employers under the functional constituencies since there is no such seat in the existing Legislative Council representing the voice of employers focusing merely on employment matters.

We also support the nomination of the Employers' Federation of Hong Kong, which has been well established for nearly 60 years and represents the interest of about 600 major employers in Hong Kong, as the electorate for an "Employer" seat to be introduced in the Legislative Council in 2008.

Thank you for your attention.

Yours sincerely

(Signed)

THOMAS P K KWOK
